

**Southern Utah University School of Business Student Trip
PARTICIPATION AGREEMENT
NOTICE, WAIVER, AND ASSUMPTION OF RISK**

I, _____, understand that while participating in the Southern Utah University School of Business Student Trip to _____, I will be part of a group of students and advisors from Southern Utah University (“University”) engaged in an academic and/or career development activity. I understand that as part of this activity I will be subject to University policy 11.10 on Student Conduct, and any violation could result in a sanction or discipline, up to and including expulsion from the University. In particular, I understand that this policy prohibits the use of any and all forms of non-prescribed narcotic or other regulated or illegal drugs. I understand that it prohibits being in the presence of such drugs. I further understand that it prohibits the consumption of alcohol.

I understand that I will be perceived as a representative of the University, and agree that I will behave at all times as if I were such. My participation in this activity must be and remain satisfactory to the group advisor(s) and trip leader(s). I understand and agree that if I violate the policy specified above, fail to follow the trip itinerary as outlined, fail to follow the instruction of the advisors, or if in the opinion of the advisors, my conduct is dangerous to the group or myself, or is otherwise inconsistent with the purpose of this activity, the advisors are authorized to take corrective action they deem appropriate, up to and including booking appropriate travel and sending me home early, subject to me repaying any expense incurred by the University and a hold placed on my student account until the charges have been paid in full.

I understand that I am not authorized to operate a University-owned vehicle without proper certification from the University Motor Pool. If I am certified and am driving, I agree that I will abide by the posted speed limit, that I will operate the vehicle in a safe and reasonable manner, and that all occupants of the vehicle will wear safety belts.

I personally, for myself, my family members and heirs, assume all risks of harm that may be presented by the travel and activities scheduled, and release, hold harmless, and agree to indemnify the University, its administrators, employees, and activity advisors, from any harm or damage to me or my property, or any claim related to or arising out of my participation.

I understand and agree to the terms and conditions of this trip as outlined above.
