Reinstatement – Travel & Reentry

A new I-20/DS-2019 may be required of students who have recently had their I-20/DS-2019 terminated. This new I-20/DS-2019 will have a new SEVIS ID number. There are many situations that may lead to the termination of an I-20/DS-2019, including:

- Absences from the United States greater than 5 months
- Any violation of visa maintenance requirements

Once a new I-20/DS-2019 has been received, the student will need to activate the new I-20/DS-2019 through exit and reentry to the United States. After activation, the student should check-in with ISSS.

Note: If a new I-20 is issued, you will not be eligible for CPT or OPT until a year has passed from the start date listed on your new I-20

Requesting a New I-20/DS-2019 from SUU
