

HAPPY NEW YEAR T-BIRDS!

Student-Parent Testimony's Needed

We are currently working on finding emergency funding for student parents who are in need of child care for this spring semester.

In order to do this, we need more voices.

Please send an email by Monday night with a short testimony describing your experience as an SUU student attempting to find child care. The most helpful testimonies will include details of difficulties and barriers you may have experienced in accessing and funding child care. Please be candid and honest.

Santianna Singer

Major: Criminal Justice

What Makes You a Non-Trad:

I am a single mom with a 9+ year break from school.

About You: I firmly believe that age and the passage of time should never limit one's possibilities.

My interests include riding horses, playing sports, spending time with family and friends, enjoying coffee at a local shop, gardening, and spending girl time with my daughter. Post-graduation, as a member of the Navajo Nation, I aim to work for tribes on the reservation, utilizing forensic science skills to make a positive impact in Indigenous communities.
