

SB #017: Informing COEHD Students about Practicum

SPONSOR: Stephanie Shirts, College of Education and Human Development Senator

CO-SPONSOR: Alexandra Holsey, Health Sciences Senator

AUTHOR: Stephanie Shirts, College of Education and Human Development Senator

WHEREAS: Many students who belong to the College of Education and Human Development are uninformed about their opportunities for practical experience. These students who are uninformed about these opportunities do not have the time set aside in their schedule. Many classes of these practicum hours are required for the courses, but the hours are in addition to the credit hours for the class.

THEREFORE, LET IT BE RESOLVED: The Southern Utah University Student Association will fund the printing of infographics explaining how students can find what classes include practicum hours. The Practicum Infographics will be hung throughout the Education Building to inform Education and FLHD majors of these hours and how to find which classes require them. The infographic will also be distributed via email to the students in the College of Education and Human Development.

LET IT BE FURTHER RESOLVED: 40 posters will be purchased at a cost of \$0.40 per 11x17 poster at the SUU Copy Shop. The total cost of the posters will come to \$16.00.

LET IT BE FURTHER RESOLVED: The posters will be hung throughout the Education Building as soon and they have been printed.
