

# FEES AND FINANCIAL AID

## Tuition and Fees

Tuition is set by the Utah State Legislature, and fees are determined by the University administration and the State Board of Regents. The administration and board reserve the right to change tuition and fees as necessary. The following information is current as of the date of publication.

Tuition and fees will be assessed to all students including extended day school students and summer school students according to the following schedules. Extended day school and daytime credit hours are combined in assessing tuition. The two sessions of summer school are considered as one semester. *All students who attend summer school pay in-state tuition. Tuition and fees are payable at the time of registration.*

**Figures following are subject to change after this schedule has been printed. They are correct as of February 19, 2001.**

Students who have questions regarding their residence status should inquire at the Admissions Office.

Students registered for three or more credit hours in any regular academic semester daytime or evening class for credit may receive a student activity card.

Charges for non-credit or other continuing education classes shall be as stated in the extended day school and summer school bulletins.

All students are obligated to pay their fees at the time of registration. The Cashier's Office hours are from 8 a.m. to 4:30 p.m. weekdays. Financial arrangements for payment of fees are the responsibility of the student.

All students registering for physical education activity courses are expected to provide themselves with gymnasium shoes and suits, and such other equipment as is required. Some equipment may be rented from the physical education department.

Students are held responsible for any damage done by them to University property.

**Late Payment Fee:**

A fee for late payment of amounts due the University will be assessed in the amount of \$15 per week that the amount remains unpaid beginning after the first week of classes.

The University reserves the right to unregister students for nonpayment of tuition and fees and to withhold registration, grades, transcripts and diplomas for nonpayment of obligations to SUU.

**Instruction, Laboratory & Class Fees**

*Some classes require fees in addition to standard tuition and fees. The class schedule indicates such lab and course fees.*

ended and all students who qualify may receive a grant.

**Federal Supplemental Opportunity Grants.** To qualify students must have "exceptional need." funds are very limited and are awarded on a first-come, first-served basis.

**Federal Work-Study** provides part-time jobs for undergraduate and graduate students with financial need, allowing them to earn money to help pay education expenses. The program encourages community service work and work related to the recipient's course of study. FWS can help you get your foot in the door by allowing you to gain valuable experience in your chosen field before you leave school.

**Leveraging Educational Assistance Partnership** is a program consisting of federal grants given to states which are matched and distributed between institutions to be awarded to students. Funding is limited and individual student grants are restricted to Utah residents with special needs.

**Loans**

Loans made under the Federal Family Education Loan Program are funded by financial institutions and guaranteed by the federal government. The federal government pays the interest on Subsidized Stafford Loans until six months after the student leaves school. Unsubsidized Stafford loans are essentially the same but there are no interest subsidies. PLUS (Parent Loans for Undergraduate Students) are guaranteed by the federal government. Repayment begins within 60 days after the loan is fully disbursed. FFEL program loans are available to all qualifying applicants.

**Federal Perkins Loans** are made through the University to qualifying students. Borrowers may apply to have part of their Perkins loans canceled if they teach in designated low-income schools or in certain other specialized circumstances. Perkins funds are limited.

**Short-term Loans** are made to students to meet immediate school-related needs while federal aid or personal funding is forthcoming. These loans are made from funds contributed by private donors and must be repaid within the semester. As with other aid programs, applicants must maintain satisfactory academic progress to qualify.

**SATISFACTORY ACADEMIC PROGRESS**

To be eligible to receive federal financial assistance or a University short-term loan while attending Southern Utah University, a student must be enrolled at least half time, be in good standing, and maintain satisfactory academic progress through a course of study toward a certificate or degree. A student must also be a citizen of the United States or an eligible alien.

1. **"Good standing"** means one is academically qualified to continue in attendance, and is in compliance with the accepted and approved enrollment standards and practices of both the university and the financial aid department.

2. Financial Aid categories of enrollment for undergraduate students are:

- a. Full-time student — enrolled for and completes 12 or more credit hours per term;
- b. Three-quarter-time student — enrolled for and

completes 9 to 11 credit hours per term;

- c. Half-time student — enrolled for and completes 6 to 8 credit hours per term;
- d. Less-than-half-time student — enrolled for and completes 1 to 5 credit hours per term.

3. Federal and University policies require that students maintain satisfactory academic progress toward the completion of a degree or a certificate to be eligible to receive federal financial aid.

4. To do so with full financial aid eligibility, students must complete, each term, the number of credits for which they were initially enrolled with a GPA of 2.0 or higher.

5. Federal Regulations also require that at the end of their second academic year students must maintain a minimum cumulative GPA of 2.0. Students who fail to meet the above criteria will be placed on financial aid review. Students on financial aid review will be required to raise their cumulative GPA up to 2.0 within the time frame specified by the financial aid review committee.

6. Students failing to meet satisfactory academic progress for two consecutive terms will be placed on financial aid suspension.

7. Students suspended from financial aid eligibility will be required to meet the satisfactory academic progress requirements, as state in #4, for one term without financial aid while enrolled at least half-time (six credit hours).

8. An incomplete must be completed within four weeks from the last day of class instruction of the affected term.

9. Students may request an exception to any of the above policies, due to extenuating circumstances, by submitting an appeal with a letter of explanation and supporting documentation to the financial aid review committee.

10. Students with questions, or those wishing to review the complete satisfactory academic progress policy, should come to the Financial Aid Office, 167 Sharwan Smith Center, or call (435) 586-7735.

11. Should a student withdraw from school during the course of a term, a refund/repayment calculation will be made and the withdrawing student may be required to repay a portion of the federal assistance receive for personal expenses. Said student will be placed on financial-aid suspension until such repayment has been made and may be placed on financial-aid probation until he/she has completed a term in good standing.

12. A student who has attended SUU and has completed prior school terms without receiving financial aid, and who does not have a GPA of 2.0 or higher, will be placed on financial-aid probation during the first term in which financial-aid is received.

13. Students who do not receive financial aid are considered to be in good standing if they maintain a GPA of 2.0 or higher, and will become eligible for financial aid upon meeting the other eligibility criteria.

14. Transfer students from other institutions are eligible to apply for federal financial aid upon being academically admitted to SUU. Those with cumulative GPAs lower than 2.0 will be placed on financial-aid probation.

15. To maintain satisfactory progress, students who receive financial aid for full-time attendance, who are working toward bachelor's degrees, must complete a minimum of one fifth of the requirements for a bachelor's degree in each academic year. Students who attend part-time, and those who are working toward other certificates or degrees, must complete equivalent percentages of their programs in each academic year. A student who has not completed the required number of credit hours at the end of any academic year with a GPA of 2.0 or higher will be placed on financial-aid probation during the ensuing term. Should he/she fail to complete sufficient hours during the probationary term to eliminate the deficiency, his/her financial-aid eligibility will be suspended until the deficit is made up.

16. Incompletes must be completed within four weeks from the last day of final examinations of the affected term. Persons who fail to resolve incompletes within this period will not be able to use said credits to qualify retroactively for financial aid.

17. The status of each aid recipient will be monitored with respect to qualitative and quantitative satisfactory progress, and written notification will be sent to the last known address of those students who are placed on financial-aid probation or suspension. Probationary and suspension information will be included in financial-aid transcripts sent to other institutions.

18. Federal regulations limit the term during which a student can receive Title IV aid. SUU students shall be allowed 153 "earned" semester hours (230 quarter hours) of financial-aid eligibility to complete the requirements for a bachelor's degree. In accordance with federal regulation (Federal Financial Aid Handbook p. 2-22), the standard is "cumulative" and credits earned without the receipt of financial aid or at other institutions must be counted.

19. A student may request an exception to any of the above policies by submitting a letter of appeal to the Financial Aid Review Committee. The committee may grant, after careful review, exceptions due to mitigating circumstances deemed appropriate.

## SCHOLARSHIPS

Scholarships and awards are made to new, transfer and continuing students who compete successfully. Awards range from partial to full tuition for up to four years. Students receiving scholarships must complete a minimum of 24 semester hours per academic year.

The types of scholarships available include: academic, leadership, talent, private, and departmental. The State department of education also offers a Utah Career Teaching Scholarship through SUU's College of Education.

### Types of Scholarships Explained

#### **ACADEMIC SCHOLARSHIP:**

Students who have maintained a 3.6 GPA in high school and have an ACT composite score of at least 26 are considered for this scholarship of full tuition.

#### **LEADERSHIP SCHOLARSHIP:**

These scholarships are designated for incoming freshman and transfer students with outstanding leadership ability who have excelled in high school or junior college student government and co-curricular activities.

#### **ATHLETIC AWARDS:**

Top athletes selected by coaches of the athletic events SUU competes in are offered awards consistent with the national rules of events in which they compete.

#### **DEPARTMENTAL**

Many scholarships are awarded by the academic departments to students with funds donated to the University. Some of these may exceed resident tuition and extend beyond one year.

#### **TERREL H. BELL TEACHING INCENTIVE LOAN**

Awarded for eight semesters of study to deserving Utah high school graduates who are expected to enter the teaching profession in the state of Utah. The Terrel H. Bell Teaching Incentive Loan provides for payment of tuition and fees. Utah high school seniors make application through their principal or high school counselor. Post-secondary students who have completed 24 hours of college credit make application through the College of Education.

#### **RESIDENT WAIVER**

Waivers awarded in amounts of full or half tuition to residents of Utah who meet academic, leadership or athletic requirements. Requirements are based on waiver availability and student accomplishments.

#### **NON-RESIDENT WAIVER**

Waivers awarded to non-Utah residents who meet academic, leadership or athletic requirements. Typically, the waiver is the equivalent of the full in-state portion of tuition.

#### **Further Information**

The number and complexity of financial aid opportunities at SUU permit only basic descriptions here. No attempt has been made in this catalog to provide comprehensive details or guidelines.

The awarding of financial aid to be given a student depends upon both the student's eligibility and the availability of funds. As funds are often insufficient to meet the need, the importance of on-time application cannot be overemphasized.

For further information contact the Financial Aid Office, Sharwan Smith Center. Telephone 586-7735.
