

## Chapter 6—Tuition and Fees

In general, the costs of attending Southern Utah University arise from tuition, institutional fees, and special fees (such as fees for private music lessons or laboratory classes). Your actual costs depend on how many classes you take, the type of classes you take, and your status as a resident or nonresident student.

In addition to these fees, you may also have to pay such additional charges as workshop fees or materials charges, depending on the type of classes you take. You may pay with cash, check, VISA, MasterCard, Discover, and American Express.

This chapter defines the current tuition and fees for attending Southern Utah University and provides other information about tuition and fees, including information on deadlines, and the senior-citizen rate. Also included in this chapter are some of the more commonly asked questions about Utah residency requirements.

Tuition is set by the Utah State Legislature, and fees are determined by the University administration and the State Board of Regents. The administration and board reserve the right to change tuition and fees as necessary. The following information is current as of the date of publication.

Tuition and fees will be assessed to all students including extended day school students and summer school students according to the following schedules. Extended day school and daytime credit hours are combined in assessing tuition. The two sessions of summer school are considered as one semester. All students who attend summer school pay in-state tuition. Tuition and fees are payable at the time of registration. Charges for non-credit or other continuing education classes shall be as stated in the extended day school and summer school bulletins

### Residency

Students who have questions regarding their residence status should inquire at the Admissions Office. (See Chapter 7)

### Deadlines for Paying Tuition and Fees

All students are obligated to pay their fees at the time of registration. The Cashier's Office hours are from 8 a.m. to 4:30 p.m. weekdays. Financial arrangements for payment of fees are the responsibility of the student. If you register after the deadline, you will be expected to pay all tuition, fees, and other charges when you register.

### Late Payment Fee

A fee for late payment of amounts due the University will be assessed in the amount of \$15 per week that the amount remains unpaid beginning after the first week of classes. Late payment fees are not refundable. The University reserves the right to un-register students for nonpayment of tuition and fees and to withhold registration, grades, transcripts and diplomas for nonpayment of obligations to SUU.

### How Southern Utah University Calculates Tuition and Fees

When you apply for admission to Southern Utah University, you pay a one-time nonrefundable fee for processing your application. To calculate your other tuition and fees, the following fee schedules are provided in Tables 6.1, 6.2, 6.3, 6.4, and 6.5.

Students registered for three or more credit hours in any regular academic semester daytime or evening class for credit may receive a student activity card. All students registering for physical

education activity courses are expected to provide themselves with gymnasium shoes and suits, and such other equipment as is required. Some equipment may be rented from the physical education department. Students are held responsible for any damage done by them to University property.

### Refund/Repayment Policy

Refunds: Students who withdraw from college before the end of a term may be entitled to a refund of a portion of their tuition and fees. Refunds of tuition and fees paid from Federal Financial Aid will be returned to the programs from which they were advanced.

<b>6.2 Tuition and Fee Refund Schedule</b>	
Date*** of Official Withdrawal	Refund Percentage
Before the end of seventh calendar day after commencement of classes	100%
Before the end of 14th calendar day after commencement of classes	70%
Before the end of 21 <sup>st</sup> calendar day after commencement of classes	50%
After the end of the 21 <sup>st</sup> calendar day after commencement of classes	No refund
Admission and late-payment fees are not refundable.	
***The day class instruction begins is counted as the first day of the refund period in determining the refund percentage. A shortened refund schedule is used for summer terms.	

**Repayments:** Students who withdraw may be required to repay a portion of the financial aid advanced to them for "living expenses" (education expenses other than tuition, fees and school services). Repayments will be calculated in accordance with the repayment formula established by federal regulations.

Repayments to any federal financial-aid program may not exceed those disbursed from that program, and will be repaid in the following priority order:

- (1) Federal Stafford Loan (unsubsidized), (2) Federal Stafford Loan (subsidized), (3) Federal Plus loan, (4) Federal Perkins Loan, (5) Federal Pell grant, (6) Federal SEOG, (7) Other Title IV aid, (8) Non-Title IV aid.

Repayment of Title IV funds must be made within 45 days of the official withdrawal date. If no effort has been made to make repayment by the end of 45 days, the account will be referred to the U.S. Department of Education and the student will be shown as in default on University records.

When you are first admitted to Southern Utah University, the university classifies you as either a resident student or a nonresident student, then uses this classification to determine your tuition and fees. It is the student's responsibility to apply for residency status. For further information, please contact the Registrar's Office, Sharwan Smith Center, Room 166C, 435-586-7715.
