Contractor Agreement

Contractor is responsible for the actions of any employees or sub contractors while they are working on the Southern Utah University Campus. All visitors to campus are subject to Southern Utah University Parking Rules and Regulations as outlined at the Parking Services web site <http://suu.edu/ad/facilities/safety/parking-rules.html>.

Permits are required for all vehicles parked on campus. Permits will be distributed for the SUU Facilities Project Representative as required. If necessary, a staging area for the project will be determined and a map of the area will be provided to the contractor. All staging activities must be confined to this designated area.

By signing below, the contractor agrees to the terms outlined above as well as the rules and regulations of SUU Parking Services.
