Morning Field Trip—8:45 to 11:00 a.m.

Join us for a tour of the CML Metals iron mine. Meet at the second level of the Cedar City parking garage (100 East, behind the Cedar City offices and adjacent to the Heritage Center) at 8:45 and **we will depart for the mine at 9:00**. We must car pool to minimize vehicle numbers at the mine, and SUU will provide two mini-vans for this purpose. If you have access to a *large van or SUV* and are willing to drive, please bring your large vehicle that morning. Hard hats and vests will be provided at the mine, but please dress for safety and the dusty/dirty mine environment: no open-toed shoes, long sleeves advised, unpredictable spring weather, etc. For directions and a map to the parking garage: <http://www.heritagectr.org/images/DrivingDirections.pdf> (Special thanks to Brennan Wood, Cedar City/Iron County Economic Development Director, for helping set up the tour.)

Lunch will be served at noon at the Grand Lodge (314 Hunter Ridge Dr.), Three Peaks Room, Brian Head.

*SUPAC meeting will commence at **12:45**.*
