

Southwest Utah Planning Authorities Council (SUPAC)

7 September 2010

1:00 to 3:00 p.m.

Triple C Arena

50 East 900 North, Panguitch

Morning Field Trip--8:30 a.m. to Noon

Join Nicki Frey from Utah State University's Community-Based Conservation Program, along with members of the Upper Sevier River Community Watershed Project and the Color Country Local (sage grouse) Working Group, to tour sage grouse projects & habitat in Garfield County. Come learn more about sage grouse management and research and the efforts of both the Watershed Project and Local Working Group.

The field trip will begin at 8:30 a.m. at the Alton turn off on Highway 89 (approximately 31 miles south of Panguitch). Multiple field trip stops will occur beginning at Alton and then heading north on Highway 89 towards Panguitch.

Lunch will be served at noon at the Triple C Arena (50 East 900 North) in Panguitch.

*SUPAC meeting will commence at **1:00**.*
