Utah Higher Education Staff Association 2009 Legislative Priorities

UHESA would like to thank legislators for the support you have shown Higher Education in the past. We look forward to working with you during this 2009 legislative session with the following considerations:

1. UHESA supports and appreciates the continuation of state funding for health insurance benefits.
2. UHESA recognizes Commissioner Sederburg's statement that money invested into Higher Education will create a positive economic impact for the state of Utah.
3. UHESA supports the use of the state's "rainy day" funds as a stimulus to Utah's economic engines, including Higher Education.

UHESA continues to be at the forefront in advancing the mission of Higher Education to help create a viable work force that can only enhance the economic outlook for the state of Utah in a positive manner. **UHESA thanks you for your support!**
