He announced that next year the Distinguished Service Award would be available for completion online. He requested all committee members take the time to nominate for these awards, and that people could contact him to find out whether an employee is classified or professional staff as that information is needed for the nomination. Bruce Barclay will gather his committee by December 15 and give Travis the award recipients' names by January 15, 2010.

Volunteer Leave Policy:

- Travis presented the proposed volunteer leave policy. Travis will revise the policy and represent it to the committee in January with the following changes/recommendations:
 - Cite examples of service as an appendix so it can be changed and updated without going through the formal policy change procedure for future additions/deletions.
 - Grammatical corrections.
 - Specify that hours of service must occur during the regular work hours – refer to policy on work hour definitions.

Bruce Barclay also requested that we look at the Sutherland Group website which is a potentially influential group with the legislature. He wanted us to be aware some of their ideas would not be beneficial for Higher Education and we should become educated about their proposals and how to counteract their arguments.
- The committee decided to keep the current meeting schedule for next semester. The next meeting will be January 19, 2010 at 11:00 am.
