

Greetings to all SUU Alumni and Friends

*Marlo Jensen, Executive
Director, Alumni Relations*

As the golden sun dips behind the western hills in Cedar City, the bright streams of sunlight turn the deep blue sky from orange, to red, then purple. In the twilight, the red hill on the east side of town seems to transform from bright red to a dark crimson hue and then almost purple as the long ultra-violet rays settle in the quiet of the evening. The air is calm with just a slight touch of a cool breeze. The clear air and the darkening sky invite you to once again return to the place of your education to relive those wonderful memories of your youth. Remember the days of difficult classes, new experiences, friendships formed, and the triumphs of accomplishment.

We hope you will come back this year for the many events planned for homecoming, September 23rd and 24th. Beginning on Friday with the Alumni Banquet and ending with the football game on Saturday night, there is something for everyone to enjoy – a parade, a picnic, a classic car show, a Shakespeare play and reunions for each of you. We will be having a “Decades Reunion” after the parade on the practice field west of the Football Stadium. We will have canopies designated for each of the decades of the University, beginning with the 30s, 40s and 50s, and continuing through to the 00s. Additionally several other groups will be joining us for specific reunions for example, business, Alpha Phi, and others. A live band will perform throughout the afternoon, with plenty of opportunity to visit and renew relationships while catching up on the “whatever happened to...” conversations. So.... come back to BAC, CSU, SUSC, and SUU. We are waiting for you. For details, please call 888-586-1997, or visit us on the web at www.suu.edu/alumni.

*Pennie Copley, Assistant
Director, Alumni Relations*

Sincerely,

*Marlo B. Jensen
Executive Director, Alumni Relations*

ON THE COVER

SUU students and advisers sit in front of a mural they painted on a wall in Guymas, Mexico during Alternative Spring Break. The mural states in Spanish “We serve together, We grow together.” This mural replaces a wall filled with graffiti.
