**Agreement and Signatures**

I acknowledge that I meet the concurrent enrollment requirements of junior or senior standing and have a cumulative high school GPA of 3.25 and have been recommended by the high school principal or other designated official, on a specific course by course basis. In the event that I plan to take only applied technology courses, my cumulative high school GPA must be at least 2.5. I agree to provide my high school with a copy of the final grade of the credit which I earned in this concurrent enrollment course or program. In addition, I agree to abide by the rules and regulations of Southern Utah University and my high school while I am participating in this concurrent program. I also accept responsibility for all costs associated with this course or program and transportation to and from the school. My University GPA in each class must be at least 2.0 in order to register for subsequent semesters. A one-time student fee will be charged the first semester of admission. I understand I that I **must reapply each semester**. Admission to Southern Utah University is subject to approval by the Academic Standards and Admissions Committee. Please be advised that not all colleges/universities accept concurrent enrollment credit.

*It is acknowledged that the grade received while attending SUU will be a permanent part of my higher education record and may be a significant factor in determining eligibility for admissions to an institution of higher education in the future.*
