Tutors are identified below by number. When you find a tutor from the list who fits what you are looking for in terms of availability etc., please email [hispaniccenter@suu.edu](mailto:hispaniccenter@suu.edu) to request that person by number. We will then remove the person from the list and send you their contact information and vice versa. Please put **Tutor Request** in the subject line of the email.

If there's a time when you need help, but no one listed here seems to be right for what you need, please email me anyway with the times you are looking for help, because I have some additional applications. Thanks!

tutor number	level of ability in Spanish	preferred level of students to tutor	hours they want to volunteer (tutor) per week	This box is perhaps the most important since it indicates when the tutor is free to come work in your classroom.
