

PARTNERS IN THE PARKS NRHC STUDENT STIPEND APPLICATION

GUIDELINES

The NRHC Student Stipend award provides up to \$500 toward the registration cost of attending a 2009 Partners in the Parks project. This funding is provided to assist financially challenged students to participate in the academic adventures hosted through Partners in the Parks. We encourage Honors administrators to promote the stipend awards and encourage qualified candidates to apply. No more than three awards will be made to any one program/school. Making application for a student stipend is independent from the Partners in the Parks registration process. Applicants must comply with the project registration deadlines even if the ability to attend is dependent upon receiving a stipend. Though application for a stipend may be made prior to registering for a project, funds will only be distributed to registered participants fully committed to attending.

APPLYING

- Stipends are only available to students enrolled in an NRHC affiliated Honors program.
- The application form must be filled out completely and accurately.
- The completed form must be signed by both the student and their Honors Advisor, Director, or Dean.
- Stipend payments will only be made after the recipient has registered for a specific project. **START EARLY** in order to make prudent travel plans and to meet registration deadlines.
- Stipend applications must be received at least 3 weeks prior to the project registration deadline. This is a delivery deadline not a postmark. Applications that arrive by fax or attached to email before the deadline will qualify but must be followed up by a signed original. Late applications received with less than 3 weeks before the deadline will not be considered. Send completed form to:

- Applications received after the deadline will not be considered.

AWARDS

- Student stipends requests may not exceed \$500 and may only be applied to registration costs.
- Stipend recipients will be notified by email.
- Recipients are required to write a "reflective report" on their experience to be posted at the NRHC web site (submit reports to shirley.shultz.myers@gallaudet.edu).
