

## TENTATIVE COURSE SCHEDULE (SUBJECT TO CHANGE)

With the exception of week 4 our home base will be Cedar City. The week of 6/19-24 we will stay in Kanab. The Field school will provide all food and lodging for that week. Most days last from 9 to 4 pm, though this can depend upon the weather/where we end at the end of the day/how much work we get done. Unless we tell you otherwise, arrange to meet us at the parking lot adjacent to the Great Thinkers' Statue (right next to the Centrum on the corner of 200 S 800 W).
