Proof of English proficiency is required for all applicants whose first language is not English. Students may show proficiency in English by providing scores for any one of the following:

The official TOEFL score must be sent directly to the International Admissions Office by the educational testing service and must not be over two years old at the time of application. Registration information regarding the TOEFL is available at www.toefl.org.
- **IELTS International English Language Testing System** - Students are required to have a minimum score of 6.0 or higher to be admitted to SUU. Students who wish to take the IELTS should visit the IELTS website www.ielts.org for information about the administration of this test and how to report the results to Southern Utah University. IELTS is jointly managed by the University of Cambridge ESOL Examinations, British Council, and IDP: IELTS Australia.

Applicants with an undergraduate or graduate degree from an accredited college or university in the U.S. may not be required to take the tests listed above.

Applicants completing the SUU ESL program will not be required to take the test listed above.

TRANSCRIPTS

Official transcripts (record of courses taken and grades received) from each secondary school, college, or university attended must be submitted. Transcripts must be submitted on an official school document which lists the (1) name and address of the school, (2) the dates enrolled, (3) grading systems, (4) description of each subject or examination, and (5) mark or grade earned in each subject or examination. Unless the school attended routinely issues transcripts in English, (6) official records must be submitted in the original language with official English translations.
