## OTHER OPPORTUNITIES

### Applied Instruction:

Please contact the music office (435-586-7890) if you are interested in taking private lessons on your instrument.

### Student Organizations

Our students enjoy many opportunities to participate and socialize in student organizations within the Department of Music, including the NAFME Music Club which organizes several social and educational events throughout the year.

**Thorley Music Recital Hall** is a 212 seat chamber auditorium located in the music building. It is equipped with two concert grand Steinways. Chamber recitals and smaller concerts are performed here. Many of the larger ensemble concerts are performed at the new downtown 900 seat Heritage Theatre. Teaching studios, classrooms, and practice rooms are housed in the music building. The instrumental rehearsal hall is located across from the music building in the new South Hall.

## Southern Utah University

Through our more than 110 year history, Southern Utah University has evolved from a teacher training institution to its current role as a comprehensive, regional university offering graduate, baccalaureate, associate and technical programs. From the time of its founding, SUU has placed students first by featuring personalized and participative classes, combined with competent, qualified and supportive faculty, staff and administration. People of the region look to the University for skill development opportunities, major academic specialties, outreach services, cultural and athletic activities, economic and business development, and regional archives.

National parks and recreation surround Cedar City. Skiing is 40 minutes away at Brian Head. For a wider range of metropolitan service, the city of Las Vegas is two-and-a-half hours south, Provo two-and-a-half hours north.
