

# Audition Guidelines for Transfer Students

Transfer students with completed Associates Degree  
or those who have completed private study  
at another institution

As a National Association of Schools of Music member, Southern Utah University requires that those wishing to enter the Music Department at the junior level of applied study pass the equivalent of the Sophomore Assessment Gateway.

## Option I

Audition time will be 20-30 minutes – be prepared to perform at least 20 minutes of music which has been prepared and is from the standard repertoire for your instrument.

Student will be given a piece to prepare on their own by a member of their audition committee.

Student will be given the portfolio requirements (also found on-line). Student will bring the created portfolio with them to the audition.

In order to receive credit at the 3410 level this audition must take place no later than the fifth week of instruction of the first semester in residence at SUU.

## Option II

Audition time will be approximately 10 minutes of prepared music.

Enter at the 1410 or 2410 level, depending on the level of performance.

Take the Sophomore Assessment Gateway at the end of the semester of study prior to entrance at the 3410 level.
