### **DIGITAL PHOTOGRAPHY EXHIBIT EXTENDED**

(Southern Utah University, Cedar City, Utah) Southern Utah University is extending the Digital Photography Exhibit, by three weeks. Evocative photographs are currently adorning the walls of South Hall, home of the College of Performing and Visual Arts. Each student in *ART 3800: Digital Photography* is displaying one piece of artwork from his/her final portfolio. The exhibit is open Monday through Friday until February 18, 2009 from 8:00 a.m. to 6:00 p.m., and admission is free and open to the public.

The exhibit is displayed on the ground floor of South Hall between the music rehearsal hall and the Art studio. By placing the exhibit in this high-traffic area, this student work is being recognized by the faculty, students, staff and public who pass by.

This is the first exhibit to be displayed in South Hall. A tradition, which will continue throughout the semester. Upcoming, in South Hall, is "A Chink in My Armor," an exhibit being created by art education students, which opens February 19, 2009.
