## Academic and Career Development Center Sponsorship Policy

The Academic and Career Development Center Corporate Partnership Program are designed to enhance your visibility at Southern Utah University and to maximize recruiting efforts.

As an Academic and Career Development Center partner, you will be offered multiple opportunities to market your organization on campus. Corporate partners play an important role in expanding student services and programs, which will directly contribute to your success in recruiting outstanding graduates. Depending on your level of participation, you will receive benefits for twelve months. To find out more about becoming a Partner Employer at the Academic and Career Development Center, contact Michael Carmine at 435.865.8035 or email a request to [carmine@suu.edu](mailto:carmine@suu.edu) for additional information.
