A MESSAGE from the GHA Counselor Facilitator...

HALEY BURTON

Hello GHA'ers!!! Well, you've survived the first few days with all your crazy, insane, yet amazing counselors!!! I watched you all come in shy, nervous, and not knowing what to expect, now you have

let loose and through, ultimate steal the flag, Bryce Canyon, being entertained by "Gray Squirrel", and different PD groups you have all come closer together. It's been awesome to watch you all become so close so fast, and it's not over yet!!! We've listened to some great speakers so far, eaten more than we can handle, and have definitely stayed up later than we should have. You each have such amazing attributes and your diverse personalities are making it sooooo much fun to be around you all. Thank you for letting me be a part of this experience with you...I am already learning so much & can't wait for more!!!

WORD OF THE DAY:

Philomath: A lover of learning, a scholar
Philomath is from the Greek philomathes, "loving knowledge," from philos, "loving, fond" + mathein, "to learn, to understand."

QUOTE OF THE DAY:

"I want to live at GHA forever!!!"
~Hiedi Eysser
