JUNIPER HALL

Juniper Hall

Juniper Hall is a traditional sleep-study residence. Students who live in Juniper Hall are required to sign up for one of the cafeteria's meal plans. This eliminates the hassle of shopping for groceries, preparing meals, and cleaning up afterwards.

All rooms are shared occupancy and have a telephone with local service, curtains, a full-length mirror and wall-to-wall carpeting. The utilities are already in place, as is basic cable service and internet access. Micro Fridges are included in every room, and computers can be rented from the Housing office for a small fee.

Fun Facts

Students who live in on-campus have access to:

-on-site parking

-on-site mail boxes

-on-site laundry facilities

Personal stories I can use to personalize my tour.
