## ***Educational Talent Search***

The Educational Talent Search Project (ETS) is a federally funded program through the U.S. Department of Education designed to assist with post secondary education.

The purpose of ETS is to provide educational guidance and assistance to individuals in Beaver, Iron and Kane Counties.

### ***Our Mission Statement***

*To provide Educational Talent Search students with equal access to information and counseling relating to academic decisions and life skills and to help each one make the transition from secondary to post-secondary education, thereby creating a commitment to and a tradition of life-long learning and success.*
