DEGREE/PROGRAM ITEMS

EDU

Degree/Program	Change Requested	Implementation Date	Notes/Action
Leadership in Education and Administrative Development	<p>Several years ago the SUU Educational Licensing Program Capstone consisted of two six credit hour courses – EDUC 6898 and EDUC 6899. The two courses, together, constituted the licensing capstone classes. These two courses had functioned very well for years and represented the capstone courses for hundreds, if not thousands, of our graduate students. Several years ago, in an effort to tweak the licensing program, EDUC 6898 (6 credits) and EDUC 6899 (6 credits) were divided into four courses EDUC 6894 (3 credits), EDUC 6895 (3 credits), EDUC 6896 (3 credits), and EDUC 6897 (3 credits).</p> <p>The change from the two class (6 credits each) to the four class (3 credits each) program modification has not worked as hoped. It is deemed to be vital to and in the best interest of our program, and our students, to return to the EDUC 6898 (6 credit) and EDUC 6899 (6 credit).</p>	Fall 2015	Approved
