Discussion Items

Master of Interdisciplinary Studies - There was a lengthy discussion regarding Education's concerns about duplication of existing courses and resources in SGCS courses and the Master of Interdisciplinary Studies. A document stating concerns of the COEHD Faculty was distributed to committee members. Some committee members felt this sounded like a turf war and that what is best for the students is not being considered. Steve Meredith and Mark Atkinson will write up documents addressing these concerns and documents will be shared at a later date.

Adjourn – Meeting was adjourned at 4:54 p.m.
