In the area below describe each student research project that is part of the course listed above. As *ex officio* members of the IRB, instructors have the authority to approve “student research category B” projects described in policy 6.20. Please attach a copy of the course syllabus, and indicate where aspects of human research ethics and participation are discussed. This form must be submitted at least two weeks before the research is to begin.

Since student research projects will not be individually reviewed by the IRB, the informed consent information (written or verbal) must include the following statement:

This survey (project etc...) is being conducted in partial fulfillment of the course requirements for (course title) taught by (instructor's name) at Southern Utah University. This course is in compliance with the course certification requirements of SUU's Institutional Review Board (IRB).

Please confirm that you will have the student research projects which are under your supervision include the required statement.

I agree to make sure all the projects' informed consent include this statement.
