

To ensure proper function of the IRB forms, please follow the instructions below. These are instructions for downloading IRB forms if you using one of the 4 most common web browsers:

If using Internet Explorer,  the form should work fine

If using Mozilla Firefox  or Google Chrome 

1 With your mouse scrolled over the form you want to download and complete, right click your mouse. A gray dialog box should appear as shown in the screen shot below

2, Select "Save Link As..."

3, Save the file at a location of your choice (e.g., My Document or Desktop, etc.)

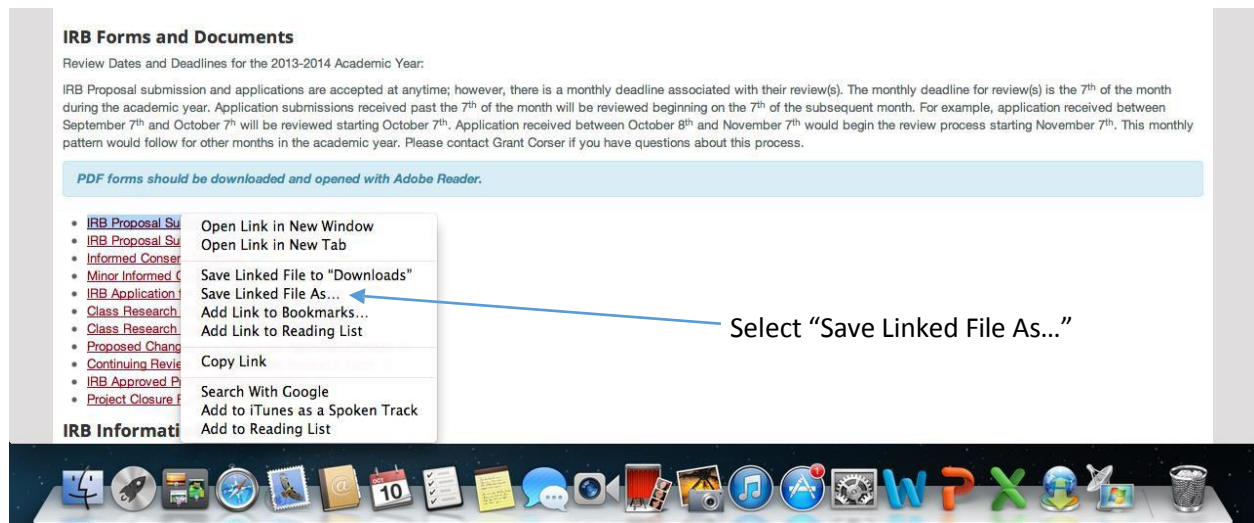

4, Open with your newly saved file with Adobe Acrobat or Adobe Reader

A free copy of Adobe reader is available at <http://get.adobe.com/reader/>

If using Safari

1, With your mouse scrolled over the form you want to download and complete, while holding down the Control key click your mouse. The dialog box should appear as shown in the screen shot below.

2, Select "Save Linked File As..."

3, Save the file at a location of your choice (e.g., Desktop, etc.)

4, Open with your newly saved file with Adobe Acrobat or Adobe Reader

A free copy of Adobe reader is available at <http://get.adobe.com/reader/>

Please feel free to contact Garrett Strosser in the IRB office if you are experiencing difficulty with this process.
