# WORKSHOP

May 4 – 8, 2015

9:30 – 4:30

GENERAL CLASSROOM 201

"Because money does not grow on trees!"

**RIGHT NOW** more than 2,000 funding sources available to institutions interested in expanding their programs or starting new ones.

This intense five-day workshop will take participants through the process from investigation of sources, to how to write a good narrative, to budgets—all the way through the submission process!

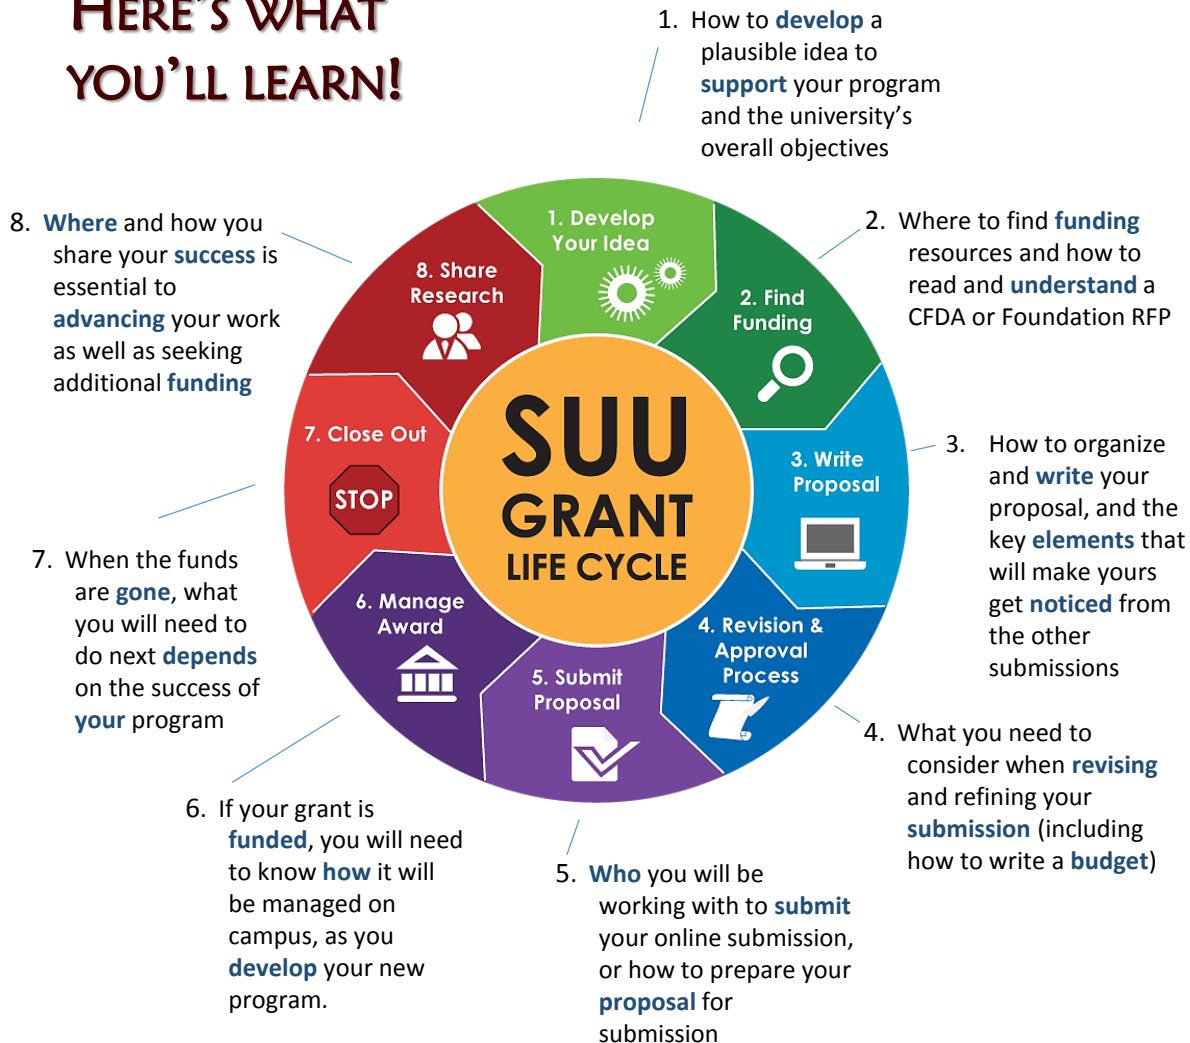

*Upon meeting the requirements of this program, You will be compensated for your participation!*

Grant writing is not fundraising.

Do you know the difference?
