

# UNDERGRADUATE CURRICULUM COMMITTEE MEETING

December 6, 2007

4:00 pm, LIB 302D

## MINUTES

**Present:** Genell Harris, Jeff Barnes, Vicki Meier, Lee Montgomery, Vik Brown, Shauna Mendini, Jim Brandt, Sheila Johnson & Lindsay Fullerton

**Excused:** Terry Alger

**Visitors:** Donna Lister, Kate Grandison

**Minutes approved from November 29, 2007 meeting.**

### BUSINESS

Prefix & Number	Course Title	Credit Hours	Change Requested	Action
HRHM Major Requirements			Elective changes to program, catalog changes (Also rescinding previously passed HRHM 3600 from moving forward)	Approved
Economics Minor Requirements			Deleted course (ECON 3790) needs to be removed from minor requirements. Electives (has been deleted from major requirements previously)	Approved

**Jeff Barnes made a motion that this committee come up with modified standard operating policies and procedures to lessen work requirements for the University Curriculum Committee and push down changes that are easily considered at the local level creating a liaison with the registrar's office. Shauna seconded the motion, the committee voted unanimously in the affirmative.**

### CIET

Prefix & Number	Course Title	Credit Hours	Change Requested	Action
Information Systems Composite B.S. Degree			Add ART 3250 (Web Design I) and ART 4250 (Web Design II) to upper division electives	Approved
CSIS 2000	Web Development	3	Add ART 2210 as a prerequisite	Approved
CCET 1030	Introduction to CAD/CAM Design	3	Change prefix & number from CCET 1630 to better fit course sequencing	Approved
CCET 4610	Advanced Solid Modeling	3	Change title, prefix & number from CCET 4610 "Advanced Applications in CATIA" and change prerequisites	Approved
CAD/CAM Engineering Technology Program			Replace CSIS 1410 "Objected Oriented Programming" with CSIS 1040 "Introduction to Programming with MATLAB."	Approved
CAD/CAM			2 <sup>nd</sup> memo, make sure I get a copy to see	Approved

			what to really write here	
ENGR 2270	Electro-Mechanical Systems	3	Change prerequisite from MATH 1220 to MATH 2280	Approved
ENGR 2275	Electro-Mechanical Systems Lab	1	Add prerequisite of ENGL 2010	Approved
ENGR 3045	Engineering Design I	2	Change prerequisite from CSIS 1400 to CSIS 1040	Approved
ENGR 4000	Mechatronics	3	Change prerequisites & co-requisites	Approved
ENGR 4005	Mechatronics Lab	2	New course	Approved
ENGR 3000	Thermodynamics	3	Change corequisite MATH 2210 and make it a prerequisite	Approved
ENGR 2010	Statics	3	Change prerequisites	Approved
ENGR 2145	Strength of Materials Lab	1	Add prerequisite ENGL 2010	Approved

### EDUCATION (All consent items listed on memo)

Prefix & Number	Course Title	Credit Hours	Change Requested	Action
Knowledge Area Requirements			Add "strongly recommended" for the following courses: FLHD 1500, BIOL 1010/1015 or BIOL 2000, MATH 1050, and GEO 1110/1115	Approved
Specialization area			K-8 Mathematics Elementary Education area of specialization changes	Approved
Specialization area			New Elementary Integrated Studies area of specialization	Approved
Specialization area			English/Language Arts Elementary Education area of specialization changes	Approved
Specialization area			Elementary Education Art area of specialization changes	Approved
Specialization area			English as a Second Language (ESL) area of specialization changes	Approved
Specialization area			Elementary Education Music area of specialization changes	Approved
Specialization area			Elementary Education Science Education area of specialization changes	Approved
Remove Elem. Ed. Minors			Remove Elementary Education minors: Reading, Physical Education, and Social Science	Approved

### HSS

Prefix & Number	Change Requested	Action
All Communication Emphasis	Course sequencing changes	Approved
Communication Studies Emphasis	Course sequencing changes	Approved

**SCIENCE (All consent items listed on memo)**

Prefix & Number	Course Title	Credit Hours	Change Requested	Action
Biology Degree Requirement			Capstone course requirement	Approved
BIOL 3570	Agrostology: Wildland and Range Grasses		Course title change	Approved
BIOL 3370 BIOL 3375 BIOL 3390 BIOL 3470 BIOL 3490	Ichthyology Ichthyology Lab Mammalogy Herpetology Ornithology		Prerequisite changes	Approved
BIOL 3310 BIOL 3430 BIOL 3570 BIOL 4650	Cell & Molecular Biology Entomology Agrostology Conservation Biology		Prerequisite changes	Approved
BIOL 1020	Human Biology		Change co-requisite listing	Approved
BIOL 1620/1620	General Biology II lecture and lab		Course sequencing – taught on demand throughout the summer	Approved
BIOL 3270	Vertebrate Physiology		Prerequisite change to MATH 1040	Approved
BIOL 3035	Ecology Lab		Co-requisite and prerequisite wording	Approved
BIOL 4840	Cooperative Education		Cooperative education experience may be on campus or off campus; currently listed as only on campus	Approved
BIOL 4890	Internship		Omit reference to full-time for Biology internships	Approved
Nursing Program Changes			Clarify credit hours, Create more competitive admission requirements.	Approved

**PVA**

Prefix & Number	Course Title	Credit Hours	Change Requested	Action
Academic Music Minor			Change minor requirements	Approved

**LIBRARY**

Prefix & Number	Course Title	Credit Hours	Change Requested	Action
LM 2120			New Course for Service Learning	Approved
