To the Student
On the reverse side of this page, list the department, number, title, and credit hours for each course you might take at the
host institution as described in the host college catalog. You should select at least twice as many courses as you plan to
take on exchange and list courses for the entire period of your exchange not just for your first term. For each course
selected, attach a copy of the course description. With the help of your academic advisor, indicate how each course will
be accepted (e.g., major requirement, major elective, elective, core requirement). If the course will replace a major
course, indicate the course that will be replaced. Secure the signatures of your advisor and other individuals as directed
by the NSE coordinator. Sign the form and return it to the campus NSE office prior to exchange.

NOTE: Access to courses at your host campus is based on offerings and availability and cannot be guaranteed. You
must meet all pre-requisites or co-requisites as required by the host campus.
