

Staff Association Board Meeting Minutes
December 2, 1999

Meeting conducted by Wes Brinkerhoff, President

In attendance were: Wes, Connie Nyman, Kathy Barrick, Joyce Messer, Bill Moody, Linda Reber, Eric Tate, and Dale Orton.

The minutes were reviewed and approved for meeting of Nov. 18, 1999.

Bill Moody reported on the changes in the benefit package for half-time contract employees regarding tuition benefits. Additional changes were suggested. A revision will be worked on. It was proposed that the suggested benefit changes be taken to Mike Carter for approval then to President Bennion for approval.

There will be a meeting on Feb. 16 in the form of a state-wide rally to draw attention to salary compensation concerns in Higher Education. A bus will be provided if enough people want to use it.

It was discussed that representation for the staff association members be broken up by sections according to interest or areas of employment.

Connie Nyman reviewed the proposed drop policy. The policy was discussed but no proposals or suggestions were finalized.

Kathy Barrick moved for an executive meeting to be held next month. Eric Tate seconded it.

Meeting was adjourned.
