4-Year Academic Plan: Finance

The following is a sample outline demonstrating 4-year completion of this bachelor’s degree. Each student’s reality will vary slightly, as this plan does not include transfer work, Advanced Placement (AP), or concurrent enrollment credits. Math and English placement will be based on the student’s ACT/SAT scores. Please note: The following plan assumes students are prepared to take the Math course listed. If prerequisites are required, additional semesters may be required to complete degree.

*Please note: The following plan assumes students are prepared to take the Math course listed. If prerequisites are required, additional semesters may be required to complete degree.*

While every effort has been made to align this sample with departmental offerings and recommendations, this is a guide only. Please meet with your academic advisor and consult DegreeWorks for specifics.
