

## Academic Plan: Family Life and Human Development Early Childhood Development

The following is a sample outline for completion of this bachelor's degree AND state-required courses for becoming a licensed teacher (completion of licensing often requires semester(s) beyond four years). Math and English placement will be based on the student's ACT/SAT scores. **PLEASE NOTE:** The following plan assumes students are prepared to take the Math course listed. If prerequisites are required, additional semesters may be required to complete the degree. This is a **GUIDE ONLY**. Please meet with your academic advisor and consult DegreeWorks for specifics.
