

Academic Plan: French Education

The following is a **sample** outline for completion of this bachelor's degree AND state-required courses for becoming a licensed teacher (completion of licensing often requires semester(s) beyond four years). Each student's reality will vary slightly, as this plan does not include transfer work, Advanced Placement (AP), or concurrent enrollment credits. Math and English placement will be based on the student's ACT/SAT scores. **PLEASE NOTE:** The following plan assumes students are prepared to take the Math course listed. If prerequisites are required, additional semesters may be required to complete the degree.

While every effort has been made to align this sample with departmental offerings and recommendations, **this is a GUIDE ONLY.** Please meet with your academic advisor and consult DegreeWorks for specifics.

Color Key:

- General Education & EDGE Courses (green)
- Major-required courses that also fulfill GE requirement (purple)
- Major Course (black)
- Electives/minor/etc. (red)
- EDGE Program Courses (orange)
- Secondary Education Licensing Requirement (blue)

Other Notes:

- Students are highly encouraged to do a study abroad experience for their major, but it's not required. However, there are only two upper-level French courses taught per semester. Doing a summer or semester study abroad will ensure graduation within four years.
- (*) See catalog for specifics class options; French courses vary by semester
- All students must earn a minimum of 40 upper division credits (3000-4999 level)
