

Academic Plan: Bachelor of Fine Arts Art Education with Secondary Teaching Licensure

The following is a sample outline for completion of this bachelor's degree AND state-required courses for becoming a licensed teacher (completion of licensing often requires semester(s) beyond four years). Each student's reality will vary slightly, as this plan does not include transfer work, Advanced Placement (AP), or concurrent enrollment credits. Math and English placement will be based on the student's ACT/SAT scores.

PLEASE NOTE: The following plan assumes students are prepared to take the Math course listed. If prerequisites are required, additional semesters may be required to complete the degree. *While every effort has been made to align this sample with departmental offerings and recommendations, this is a GUIDE ONLY. Please meet with your academic advisor and consult DegreeWorks for specifics.*
