

PAPER CIRCUITS

CHARGE UP YOUR ARTWORK WITH ELECTRICITY

Register Here:
<https://goo.gl/1glamS>

In this FREE workshop Lindsay Balfour will teach elementary educators how to **LIGHT UP** their artwork using simple inexpensive materials.

You will explore the basics of circuitry and leave knowing how to challenge your students to create their own electric works of art.

Session 1: Thursday, November 5th 2:00 to 5:00
OR Session 2: Friday, November 6th 1:00 to 4:00
Emma Eccles Jones Education Building Room 208
at Southern Utah University
