

Professional Bio

Charles (Chuck) Taylor
President – SyberJet Aircraft

Chuck earned a Bachelor of Science degree in Business Administration from Southern Utah University in 1991 and was awarded an MBA in 1995 from Utah State

University. Chuck has broad, hands on understanding of the aerospace manufacturing business, having worked as a machine operator, quality control inspector, and engineering programmer as well as serving as a manager of materials and purchasing functions. As Vice President at Metalcraft Technologies, Inc. he was responsible for marketing and customer service and other manufacturing support services areas. Chuck has served on numerous community committees, Southern Utah University advisory boards and is a founding member of the Board of Trustee of the Success Academy. Success Academy is an early college high school that emphasizes STEM centric learning in Cedar City with campuses at Southern Utah University and Dixie State University. Chuck has served on the Board of Trustees for the South West Applied Technology College and was appointed by Governor Herbert to the Board of Directors of the Utah System of Technical Colleges and is also a member of the Talent Ready Utah Board of Directors. He served as Vice President of SyberJet Aircraft beginning in 2011 and was appointed President of SyberJet Aircraft in 2013. He and his partners own several manufacturing companies and serves as a Board Member and Board Secretary of MSC Aerospace. Chuck and his wife Michelle have four children and three grandchildren.
