		\$9,000
	Certified Flight Instructor Instrument (CFII)	Flight Hours: 10

The above costs include all fuel and instructor fees.

This is a typical scenario. The required lab fees above are for training in the R44 Raven II. Cost will vary by aircraft used. Training time may vary by individual.

Flight Lab Fees do not include SUU Tuition costs. Please see suu.edu/cashier/tuition-undergrad.html for latest tuition and program rates based on residency / non-residency.

Flight lab costs are based on hours listed which are required for each lab; additional flight time will incur additional charges. Fees subject to change.

Bell is used for Turbine hours.

Abbreviations:

CFI- Certified Flight Instructor. CFII- Certified Flight Instructor Instrument. NVG- Night Vision Goggles.
