The document must have one inch margins and a 12 point font size. Compressed type is not permitted.

The executive summary should briefly describe:

- ✓ The company history
- ✓ Product or service the business will provide
- ✓ Market need (pain point)
- ✓ Target customers
- ✓ General business strategy (how the company will sell the product or service and make a profit)

Plans will be submitted to and accessible from a link at www.bestbusinessidea.org

In order to be eligible for the competition, a PDF version of the executive summary, no larger than 10MB, must be submitted by **MIDNIGHT on Friday, December 7, 2018**.

Video

Optional videos must be submitted at www.bestbusinessidea.org by **MIDNIGHT on Friday, December 7, 2018**.

Videos will give an opportunity to set you and your idea apart. Videos should help judges better understand your idea and should also explain your executive summary. There are no set criteria of what videos should contain.

Teams should decide what ideas they feel are most applicable for judges to know. For example, to:

- ✓ Give a personal “elevator pitch” for your idea.
- ✓ Show your extreme passion for your idea
- ✓ Let your creativity, your personality, and/or the ‘personality’ of your idea shine through
- ✓ Clearly demonstrate and explain the product or idea

Follow these simple guidelines when creating your video:

- ✓ Videos must be no longer than 2 minutes in length.
- ✓ Keep it professional. No inappropriate sounds, language, or images. Videos containing content deemed inappropriate by judges will result in disqualification.
- ✓ The Video should be submitted as a youtube video and URL should be pasted into entry form. For more details on how to upload videos go to <https://support.google.com/youtube/answer/57407?hl=en>
