

Instructions for the E&G Budget request process for Fiscal Year 2023-24.

All E&G requests need to be submitted using the New E&G Funding Request Form (google form) that is linked on the forms page of the Budget Office [website](#). The E&G budget request form includes a number of questions which are included below. Please review the questions below so you know what information will be requested on the form. Google will auto save your progress on the form and when you return to the form (within a preset timeframe set by Google) you will be able to continue progress. You will not be able to start one request and then start a second until the first request has been submitted.

All budget request will be consolidated and sent to the appropriate Vice President so it can be prioritized. All prioritized budget requests are due to the budget office by **November 1, 2022**. There are other preliminary deadlines for departments and divisions in order to meet the November 1st deadline.

Please refer questions regarding the E&G budget process to Zachary Murray in the budget office (zacharymurray@suu.edu).

Section 1 – All questions from section are required. Section 1 includes the general Information regarding the budget request

Section 10 of 10

Budget Process

All budget requests will be reviewed and the department will be contacted for additional information if necessary. Submissions will be sent to appropriate Dean and/or Vice President for their review and prioritization. Prioritized list of requests are due back to the Budget Office November 1st. Vice Presidents will present their prioritized budget request during the public budget hearings that will be held in January.
