## 4 YEAR ACADEMIC PLAN FOR BUSINESS EDUCATION MAJORS

The following is a tentative schedule to complete the bachelor's degree in 4 years. This plan does not include transfer work, Advanced Placement (AP), or concurrent enrollment credits. If a student has transfer credits, an evaluation by the advisor is necessary to determine equivalencies.

English and Math course placement will be based on the ACT/SAT scores. Students that have been out of high school for over 2 years, or have not taken the ACT or SAT will need to take the Math Placement Exam for placement. Check with the Academic and Career Development Center <http://suu.edu/ss/acdc/> for exam dates. Students without ACT/SAT scores in English will need to take ENGL 1000 with 0990.
