

Concurrent Enrollment Freshman Admission Request Form

INCOMING FRESHMAN: In the absence of a high school transcript, high school freshmen may be admitted *provisionally* with a parent letter and counselor recommendation. To fulfill this requirement, submit this completed form (with signatures) to concurrentenrollment@suu.edu. When approved, the student will be admitted to SUU and allowed to register for up to two (2) dual credit college courses (up to 6 college credits) for their first semester. To register for subsequent semesters or to be admitted as a regular SUU Concurrent Enrollment (CE) student, a transcript of their first semester at high school needs to be submitted prior to enrollment in the next semester.
