

SUU College of Science is pleased to offer Cedar Mountain Science Camps.
Camp "Survivor"

Join us for a fun-filled science camp for kids, 4th-6th grades, at the beautiful SUU mountain center. Students will participate in two full days of fun, exciting science activities in the beautiful surroundings of Cedar Mountain. This year's theme is "The Magic of Science." Some of the activities will include; A magical science show, a trip to the Mammoth Caves, a study of electricity, dancing flames, hiking, team work, and much more, at the SUU Mountain Center Cabin.
