Time Conflict Testing Room Rules									
Students must attend at their appointed time. Time will be written on their admittance ticket.									
Students must have a ticket to enter the testing area.									
Students may only bring allowed testing supplies, all other items will be held at the check-in desk									
Cell phones and other electronics are not allowed. If students sneak a cell phone/electronics into testing area, students will receive a zero on their test and be asked to leave the testing area. Further, they will not be admitted to the testing area for additional tests.									

Further, they will not be admitted to the testing area for additional tests.

To insure students receive adequate time in the testing area, their arrival time will be written on their test envelope by an SO volunteer.

Students must turn in their test within the allotted test time.

Tests exceeding the allotted test time will not be graded.

All requests to use testing area must be made at least 2 weeks prior to SO. *No exceptions.*
