**Part C (To Be Completed By Student)**

Address each of the following areas on a separate sheet of paper or supply documentation as requested.

1. **Scholarship or Professional Commitment:** Describe your achievements and/or earned honors.
  
2. **Leadership or Community Service Experience:** Describe recent activities (i.e. within the last five years; include dates) that demonstrate your leadership ability or community service.
  
3. Provide unofficial copies of your transcripts that verify sophomore, junior, or senior status as well as your grade point average.
  
4. **Descriptions of Financial Need and other Financial Awards:** Provide insight into personal obstacles or educational hardships which place an additional financial burden on you as a student (include employment history). In addition, please list any other sources of financial aid that you are currently receiving.
  
5. **Nontraditional/Returning Student Status:** Describe how you qualify as a nontraditional or returning student.
  
6. A letter of Support from a Southern Utah University Faculty Member describing your potential as a student, both personally and academically.
  
7. A statement of your educational and professional goals.
  
8. List and describe any information you think would help increase your chances of being awarded this scholarship.
