

General Information

SOUTHERN UTAH UNIVERSITY'S MISSION STATEMENT

As a community of learners, Southern Utah University serves as a comprehensive regional university to encourage a lifelong love of learning, to foster academic excellence, to instill ethics and values and to honor thought in all its finest forms. Foremost to our role and central to our disciplines are superior teaching and quality service to students. Fundamental to our purpose are scholarly activities and public service.

Our mission is to provide students a personalized learning environment to foster meaningful experiences involving the mind, heart and hands, which:

1. Affirm integrity, the search for truth and respect for all people as the foundation of education;
2. Develop communication, analytic, creative and information gathering skills;
3. Prepare students as informed and responsible citizens and for effective roles in families and other societal organizations;
4. Afford opportunities for success in students' personal and professional lives by providing service and leadership experiences in a residential campus setting;
5. Enhance economic, technological and cultural development of the communities served.

Southern Utah University provides baccalaureate, applied technology, and selected graduate education. We address the unique needs of rural students and communities; serve as a major cultural center for southern Utah; and create partnerships with public and higher education, government, business and industry.
