Through mySUU, students are required to keep contact information current and correct. For all residents living in residences operated by UH this must include an email address and preferred phone number (likely a cell phone). All electronic communication sent by UH will be sent to this email address and residents will be held responsible for the information therein. UH may also employ mySUU or myHousing to broadcast targeted messages and post information about an individual resident's housing application and agreement, assignment, and other important information.
- 3.2 Most official written communication, with the exception of parental notification letters, will be sent to the resident's preferred mailing address whether that is on or off campus. Certain official written communication from UH will be held for residents at the UH office or the front desk of their residence for pick-up.

Residents will be required to sign for these documents.

- 3.3 UH reserves the right to use the resident's cell phone number, including for purposes of text messaging, as found in mySUU, and UH will not be responsible for any charges incurred by the resident for such calls.

- 5.1 Assignment to and occupancy of a room is subject to University admission, enrollment in University classes, completion of the application and space availability.
- 5.2 Assignments are made based on a combination of criteria including the resident's application date, preferences, mutual roommate requests and space availability. UH will make every effort to assign a resident to one of his/her preferences. However, UH is not able to guarantee preferences or an assignment to any particular room.
- 5.3 While every effort will be made by UH to notify a resident of assignment changes prior to occupancy, residents should periodically review their MyHousing account to determine changes in room and roommate assignments.
- 5.4 Roommates are assigned by UH based on answers to personal and living preference questions and mutual roommate requests submitted via MyHousing. We cannot guarantee that mutual roommate requests will be honored.
- 5.5 In the interest of creating inclusive communities and in an attempt to include every individual student, UH is committed to policies of nondiscrimination and equal opportunity, and pursues affirmative action with regard to race, color, national origin, sex, age, status as an individual with a disability, religion or faith system, sexual orientation, and status as a veteran with a disability or a veteran of the Vietnam era. The long standing tradition of the University and UH is to treat each individual with a unique respect worthy of their membership in a community of learners. It is the commitment of the current staff that this continues in perpetuity. SUU will seek to place all students in the room, suite, or apartment option that best suits their needs.

6. RESIDENCE/ROOM TRANSFERS:

- 6.1 Transfer of occupancy from one room/residence to another room/residence may be done only with the approval of UH. Transfers will only occur if the requesting resident's University account is paid in full or if a payment plan is up-to-date. The resident's account will be charged or refunded a daily prorated amount for a difference in residence rents.
