

ADDITIONAL RESOURCES

MotivRx Pharmacy Savings

MotivRx* is committed to helping you lower your prescription costs. This means if you or any covered dependent is taking a medication, including insulin costing \$200 or more a month, we may be able to lower or eliminate your monthly out-of-pocket costs.

Program Benefits	
Co-pay Card Adjustments	MotivRx helps you identify and participate with co-pay assistance programs that help reduce costs.
Full Assistance Programs	Are you taking high-cost name brand or specialty medications? MotivRx may be able to eliminate your monthly costs entirely.
Diabetic Assistance	MotivRx has programs in place that can lower or eliminate the high cost of diabetic insulin and testing supplies.
Formulary Options	MotivRx will review your medications to see if you are eligible for a pharmacist-approved, low-cost equivalent.
