

# Two-Factor Authentication-DUO

---

SUU utilizes two-factor authentication for access to many IT resources, including the mySUU portal and Canvas.

## **All student employees are required to enroll in two factor authentication.**

- New employees have a **seven-day grace period** to enroll before access to protected systems (SUU portal, Canvas etc...) is blocked by two-factor.
- You are encouraged to enroll as quickly as possible to ensure continued access to IT systems.
- The two-factor authentication can either be a **smart device**, such as a smart phone or tablet (a device that can support and run an APP); or a **hardware token** such as a FOB or Yubikey. For most students a mobile device is the most convenient and the simplest option. If you do not have a smart device, please contact your supervisor to request a hardware token.

### **Enrolling your Smart Device:**

- Follow the Step-by-step instructions in the link below
- <https://go.suu.edu/duoinfo>

*\*IF you have any questions, concerns or issues with enrolling, or if you forget or lose your two-factor authentication, **please contact the IT Help Desk**: 435-865-8200 or [support@suu.edu](mailto:support@suu.edu)*
